

KEY STAGE 3 HOME LEARNING SCHEDULE

Dear KS3 Student

Whilst you are learning at home, we have put together a new learning timetable to help you to structure your time. Your teachers will set learning tasks that you will find signposted in Class Charts. You may be asked to go straight to the Google Classroom for that subject or you will be directed to other learning platforms. You do not need to complete the tasks in order but you should try to do some work for each of the subject areas listed for the day.

If you have any questions that you would like to ask your teacher or you need some advice about a task, please send your teacher an email from your school Google email account. Teachers' email addresses can be found on the school website if you follow the link Curriculum / Home Learning / Teachers' Email Addresses.

If you find that you are having more general problems with any aspects of your learning, please email your tutor or your Head of Year for support. We are all here to help you.

Best wishes

The Braunton Teaching Staff

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
